

Our Strategic Plan

Ngā Mātāpuna o te Waihora Kāhui Ako 2023-2025

A Confident, Connected, Caring Community

Strategic Goal A: Students experience an engaging, relevant and localised curriculum within a culture of care.

Strategic Goal B: Students and staff are able to participate and have ownership in opportunities and experiences around wellbeing.

Strategic Goal C: Strong community/whānau partnerships to help support and educate parents/whānau as partners in promote student wellbeing.

Success: The Curriculum reflects the needs of our Student Community.

Success: All students and staff individual differences are embraced and all feel a sense of belonging. Student wellbeing is monitored and recognised - programmes are implemented to reflect wellbeing issues.

Success: Our Community is invested in and takes collective responsibility for students wellbeing.

SUNDAY

Do you know who your children are friends with?

Based on our student surveys* 44% of our Year 6-8 students rely on their friends to help them when things aren't going well.

**Data from our 2020-2022 Year 6-8 Wellbeing Longitudinal Survey*

Waihora Wellbeing

MONDAY

Who is helping and supporting your children?

Based on our student surveys* 33% of our Year 6-8 students believe they are responsible for their own wellbeing.

**Data from our 2020-2022 Year 6-8 Wellbeing Longitudinal Survey*

TUESDAY

Te Whare Mauri Ora graphics like these should be in your school. Have you seen any in your child's school when you have visited?

Waihora Wellbeing

WEDNESDAY

Do your children mention to you if they have had a lesson at school about wellbeing or Te Whare Mauri Ora.

Based on our student surveys* there is an increase in school staff explicitly teaching and referring to Te Whare Mauri Ora and students have increased their ability to recall the name of the model.

**Data from our Term 1 and Term 4 2022 Te Whare Mauri Ora Implementation Survey*
